Section A – Response to Questions

Question-1: Will the order will be split or placed on one vendor?

Answer-1: U S Embassy will prefer to work with one vendor for better management of contract. But more than one contract for the same services can be awarded.

Question-2: Who will be responsible for any civil, mechanical work at site?

Answer-2: Any structural modifications at site are responsibilities of U S Embassy.

Question-3: Any permanent person required at site?

Answer-3: No permanent person is required at site.

Question-4: Are there any timing restrictions to visit office area?

Answer-4: Refer page 13 of solicitation document. The contractor shall coordinate with the Contracting Officer's Representative (COR) for access to these areas which require special scheduling.

Question-5: What are the access formalities?

Answer-5: The visitor should have valid photo ID. Contractor to co-ordinate with COR for access permission.

Question-6: The Unit value for treatment prices?

Answer-6: The Unit value for treatment prices is per sq mtr.

Pesticides used at Embassy premises must be Department-authorized as per the list above or equivalent. The contractor must ensure that only authorized pesticides or their equivalent chemical will be applied after prior approval from Embassy and COR. Material Safety Data Sheet (MSDS) and Label detail needs to be submitted along with Pest Treatment Plan, as per format on page 20-21, for approval. Please note that not all uses described on the pesticide label are authorized and that the Embassy Post Occupational Safety and Health Officer (POSHO) must review and approve each pesticide application in writing. The pesticide must be applied following all prudent procedures and protective measures.

The prices mentioned above are based on total estimated Government requirements. If more than one award is made, the estimated amount of work awarded under task order(s) to any single contractor will be less. The Government provides no guarantee of meeting this estimated quantity, except the minimum amount provided below.

MINIMUM AND MAXIMUM AMOUNTS

During this contract period, the Government shall place orders totaling a minimum of ***Rs.1,000***. This reflects the contract minimum for this period of performance. The amount of all orders in a year shall not exceed ***Rs.2,640,000.00***, this reflects the contract maximum for this period of performance.”
